- We review our practices to ensure that we are fully implementing our policy for promoting equality, valuing diversity and inclusion.

Curriculum and environment

The curriculum offered in the setting encourages children to develop positive attitudes about themselves as well as to people who are different from themselves. It encourages children to empathise with others and to begin to develop the skills of critical thinking.

We do this by:

- making children feel valued and good about themselves
- making adjustments to the environment and resources to accommodate a wide range of learning, physical and sensory impairments
- making appropriate provision within the curriculum to ensure each child receives the widest possible opportunity to develop their skills and abilities; e.g. recognising the different learning styles of girls and boys

- positively reflecting the widest possible range of communities in the choice of resources
- avoiding stereotypes or derogatory images in the selection of books or other visual materials
- celebrating a wide range of festivals
- creating an environment of mutual respect and tolerance
- differentiating the curriculum to meet children’s special educational needs
- helping children to understand that discriminatory behaviour and remarks are hurtful and unacceptable
- ensuring that children learning English as an additional language have full access to the curriculum and are supported in their learning

Valuing diversity in families

- We welcome the diversity of family lifestyles and work with all families.
- We encourage children to contribute stories of their everyday life to the setting.
- We encourage parents/carers to take part in the life of the setting and to contribute fully.
- For families who speak languages in addition to English, we will develop means to ensure their full inclusion.
- We offer a flexible payment system for families of differing means and offer information regarding sources of financial support.

Food

- We work in partnership with parents to ensure that the medical, cultural and dietary needs of children are met.
- We help children to learn about a range of food, and of cultural approaches to mealtimes and eating, and to respect the differences among them.

Open Mornings and Information Sessions

- These meetings are arranged to ensure that all families who wish to may be involved.
